

THE BOOK OF JUDE

Jude

1. Whose brother was Jude? Was he half-brother of the Lord Jesus?
2. Does God speak His will directly to people today, or was revelation completed in the first century?
3. How do false teachers work?
4. If you have already learned all the things Jude wrote, does he still want you to be reminded of it all over again? Is it enough to “read the Bible through” and assume that will last your life time?
5. Is it possible that not only angels may lose their position, but that we also may lose our salvation by rejecting the authority of God?
6. What are the names of three evil men given by Jude?
7. What were their sins?
8. Who was the seventh from Adam? Can you name the men of the first 10 generations from Adam to Noah?
9. Why is the Lord coming with thousands upon thousands of his holy ones?
10. What are we to keep ourselves in as we wait for eternal life to be brought to us?
