

NEW TESTAMENT TEACHING

INTRO: This lesson will take every person that is in the audience and show his place in God's sight. This lesson will include all—from the least to the greatest. Ever since creation, we have all entered the world the very same way, by natural birth. So our lesson begins there.

I. BIRTH

All are born into the world in a safe condition, regardless of man's teaching. The Bible is plain.

II. INFANCY

Many children die at birth, or live only a short time before death comes. These children are safe. Matt. 18:1-4; Matt. 19:13-14; Luke 18:16. A child does not inherit sin from his parents. Ezek. 18:19-21. A child that lives is still safe. Prov. 22:6. "Bring up a child."

III. ACCOUNTABILITY

Isa. 59:1-2. Some, on reaching accountability, obey the gospel. Some start down the broad way to destruction. They "sow to flesh" until death. Gal. 6:7-8; Gal. 5:16-21. They end up in hell. Rev. 20:11-15.

IV. NEW TESTAMENT CHURCH

- A. Enter the church by new birth. John 3:3-5; 2 Cor. 5:17; Acts 2:42.
- B. Sing. Eph. 5:19.
- C. Give. 1 Cor. 16:1-2.
- D. Commune. Acts 20:7.
- E. Teach. Mat. 28:19-20.
- F. Pray. Acts 2:42.

V. CHRISTIAN GRACES

2 Pet. 1:5-11; Rev. 2:10. Some neglect. They sin. They backslide. Acts 8:22; 1 John 1:9. Unless repents, he will end up the same as the sinner. Friend, where are you this morning? Why will you not do as God has commanded?

CONCL: The New Testament clearly teaches God's plan for the salvation of every man.
