THE MAN WHO DIGGED DEEP
Luke 6:47-48

INTRO: Jesus seeks to teach us a needed lesson by giving an example we all know about. The foundation will determine how well the building stands. Jesus shows that the foolish man does not go down to bedrock for foundation, but builds on the dirt. His house will not stand. Luke 6:49. The lesson is to be wise and dig down past the teachings of man and hear Jesus.

I. MUST DIG PAST EARTH, OR DIRT. (MAN'S DOCTRINES AS DIRT.)
   A. Doctrines of Men. Col. 2:20-22; 2 John 9; Matt. 15:9.
   B. Denominationalism. Rom. 16:17-18; 1 Cor. 3:1-5; John 17:21.
   C. Creeds as Guide Books. Mark 7:3-10; Col. 3:17.
   D. Human Names in Religion. 1 Pet. 4:11; 1 Tim. 6:3-5.
   E. Addition – Subtraction - Substitution. 2 John 9. Nadab and Abihu Lev. 10:1.
   F. Morality Short of Christianity. Cornelius Acts 10.

II. THE ROCK TO BUILD ON IS CHRIST. 1 COR. 10:4; 1 COR. 3:11; ACTS 4:12; MATT. 7:24; ROM. 15:20.
   We must build on:
   A. Doctrines and Saying of Christ. 2 Tim. 3:16-17; Rom. 1:16; Gal. 1:7-9.
   B. Unity of Spirit. Eph. 4:1; John 17:21; 1 Cor. 1:10; Rom. 16:17.
   C. Bible as the All-Sufficient Guide. 2 Tim. 3:17-17; James 1:25; 2 Pet. 1:3.
   D. God-Given Names (for church, members, officers, and Christ the Head).
   E. Strict Obedience. Matt. 7:21; Rev. 22:14; 2 Thess. 1:7-9; Rom. 2:8.

CONCL: Christianity is based on: salvation by faith, repentance, confession, and being baptized; the one Church which is added to by the Lord; and worship with actions that are commanded.
Will you dig down to Christ and obey? Then you will have a sure foundation.
